In an effort to streamline the way our classes run and make School "start up" easier for you, we have implemented a Supplies Fee to cover all consumable classroom supplies. Every child in each classroom will be supplied with exactly the same supplies. This will ensure that there is no delay in receiving supplies or misunderstanding what supplies are needed. The Supplies Fee will not cover:

- Kindergarten: Small blanket, small pillow, lunchbox, book bag.
- Grade 1: Lunchbox, book bag.
- Grades 2-3: Lunchbox, book bag
- Grades 4-8: Lunchbox, book bag, scientific calculator (Math 8/7 and Algebra ½, Algebra 1).

The annual Entrance Fee, Supplies Fee, and the first month's Tuition are to be paid at the time of registration. Accounts which are unpaid by the 30th of each month will place the student(s) on financial suspension until the account becomes current or acceptable arrangements have been made with the School Finance Committee.

There will be a \$25.00 service charge on all returned checks.

Each additional student in the same family will receive a monthly \$15.00 discount toward their tuition. If you prepay your tuition in full for the school year by August 31st, you will receive a 5% discount.

REGISTRATION FEES ARE NON-REFUNDABLE AFTER JULY 26.

Hot Lunch Costs

Grades 1-8	\$3.25	\$16.25

Payments by the month will be calculated according to the number of school days in each particular month. Purchase of a meal ticket does not restrict a student to daily use.
